The image shows a grid of 30 rows and 7 columns. A thick vertical line is positioned on the left side, approximately one-fifth of the way across the grid. The grid is otherwise empty.

A grid with 7 columns and 30 rows. A thick vertical line is positioned at the left edge of the first column, extending from the top to the bottom of the grid. The grid lines are thin and light gray, while the vertical line is significantly thicker and darker gray.

The image displays a grid of 20 columns and 30 rows. A thick, dark vertical line is positioned in the second column from the left, extending from the top to the bottom of the grid. The remaining 19 columns are defined by thin, light gray vertical lines. The horizontal lines are also thin and light gray, creating a uniform grid structure.

The image shows a grid of 20 columns and 30 rows. A thick vertical line is drawn in the second column, extending from the top to the bottom of the grid. The grid is otherwise empty.
